Life Skills

Bullying is when people talk about you or call you names and say stuff ~~that~~ makes you feel bad about yourself.

Bullying

My

Definition: Bullying is when somebody bothers you and it's only because they have been feeling a lot of pain, so they want you to feel the same way that they do and when there are a group of kids, that's even worse.

My Definition: Bully is when somebody bothers you and it's only because they have been feeling a lot of pain, so they want you to feel the same way that they do, and when there are a group of kids, that's even worse!

Bullying

bullying is somebody is making fun
of other people and bullying is not
always making fun of people
people only bully to bring people
down

Bullying is bad because
it makes other people
sad and when you say
bad things to someone
they are sad and when
you say mean things to
one you make them feel
bad
